Application No. 09/675,415

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on August 30, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below:

The Examiner's Answer mailed on April 12, 2006, stated under the Evidence Relied Upon section, page 2 that "No evidence is relied upon by the examiner in the rejection of the claims under appeal." A review of the file reveals that prior art was

applied to the Rejections on appeal. See the Grounds of rejection on page 3 of the Examiner's Answer. The Manual of Patent Examining Procedure, (MPEP), in §1207.02 states:

(8) *Evidence Relied Upon*. A listing of the evidence relied on (e.g., patents, publications, admitted prior art), and, in the case of nonpatent references, the relevant page or pages.

Before further review, the examiner must submit a corrected examiner's answer that will include the references under the "Evidence Relied Upon" heading.

Further, the content under the heading "SUMMARY OF CLAIMED SUBJECT MATTER" contained in the Appeal Brief filed on January 30, 2006 does not provide a sufficient summary of the independent claims involved in the appeal, which shall refer to the specification by page and line number, and to the drawing, if any, by reference characters. For each independent claim involved in the appeal and for each dependent claim argued separately under the provisions of paragraph (c)(1)(vii) of this section. [See 37 CFR § 41.37(c)(1)(v).]

Accordingly it is

ORDERED that the application is electronically returned to the Examiner:

1) to have Appellant submit a revised Appeal Brief incorporating the required content as specified in 37 CFR § 41.37(c)(1)(v) "SUMMARY OF CLAIMED

Application No. 09/675,415

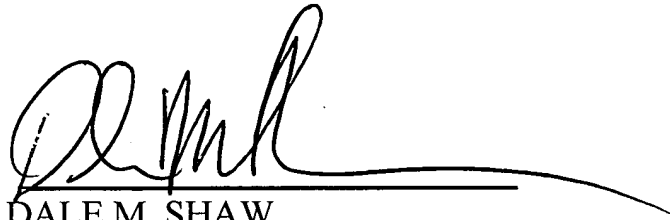

SUBJECT MATTER” section contained in the Appeal Brief filed on January 30, 2006;

2) if necessary to vacate the Examiner’s Answer mailed April 12, 2006, and issue a revised Examiner’s Answer having the missing references listed under “Evidence Relied Upon” section; and

3) for such further action as may be appropriate.
